

How to get to Regensburg...

... by train

You can check the train schedules and prices and book a ticket under www.bahn.de

... by plane

- Munich Airport is 85 km from Regensburg

The most convenient way to get from Munich Airport to Regensburg (any address) and vice versa is the bus shuttle "Airportliner"

(<http://www.airportliner.com/>). Each trip costs €38. You can book the shuttle online.

There is also the possibility to take the public transport. Take the bus from Munich Airport to Freising station and then the train to Regensburg. You can check the bus and train schedule and also book a ticket under www.bahn.de

- Nürnberg Airpost is 110 km from Regensburg.

Unfortunately, there is no bus shuttle, but regular trains: www.bahn.de
