Цей хрест встановлено у пам'ять про 140 тисяч вояків народів Європи – українців, французів, поляків, росіян, італійців, єvreїв, білорусів, бельгійців, які захищали свій дім, свою країну і загинули на цьому місці, у нацистському концтаборі «Шталаг 328». 1941-1944 pp

Вічна їм пам'ять!
