One-year scholarship program sponsored by the Free State of Bavaria for graduates of Central, Eastern and Southeastern European states

- Important advice: applications for extensions -

**PLEASE NOTE:**
We can only accept applications that **arrive by the set deadline** and that are **complete** (see list of documents needed in the application form). **Mail postage only** (not email or fax!)

A. **General advice**

- Hand or send your application document in **by the due date**!

- You cannot count on an automatic extension only because you already received the scholarship for one year and your research project was conceived for several years. We need to be able to see a **progression in your work**. Show us tangible **provisional results** that illustrate that you are advancing your project and will successfully bring it to a close.

- Make sure you take care of the two **expert opinions early on**! Note that professors are hard to get a hold of during the extra-curricular periods. Refer your referee to our “guidelines for referees” ([www.bayhost.de → “funding & scholarships”](http://www.bayhost.de))

B. **List of documents needed in the application form (extensions)**

**Please send the following documents** to BAYHOST and adhere to the given order:

1. **an online application form** that is filled-in completely (Please see [www.bayhost.de „Funding & Scholarships”](http://www.bayhost.de). Afterwards, you receive a copy of the online application form attached as pdf via e-mail. Please add a printout of this pdf to your paper documents as cover sheet.)

2. a current certificate of **matriculation** for the following summer semester

3. a **justification of the extension** of the scholarship in Bavaria (1-2 DIN A4 pages)

4. an **estimation** of which **new perspectives** have developed during the past year of studies for your (future) professional career (1-2 DIN A4 pages)

5. a **tabular CV** in German with a recent passport photo

> for **postgraduate studies** (masters etc.):

6. **proof of the so far achieved exam or course results** in Bavaria (copies)

7. a **report** (1-2 DIN A4 pages) covering the **most important results** achieved in your past year of study (i. e. attendance of seminars or lectures, course results, conferences etc.)

8. **two expert opinions** of professors from your course. Refer your referees to our “guidelines for referees” ([www.bayhost.de → “Scholarships”](http://www.bayhost.de))
for doctoral candidates:

5. an interim report (max. 4 DIN A4 pages) about the results of your research in Bavaria, which refers to the project outline in your application document (what aspects have you already realized?)

6. two expert opinions of professors from the field that your dissertation relates to and from your Bavarian university. One expert opinion has to be from the supervisor of your dissertation.

Applications for extensions have to reach BAYHOST by the 28th February 2017. (date of receipt!)

This date is a cut-off period! Late applications cannot be considered and will be excluded from the selection process. The same applies to applications that are incomplete or do not comply with the set formalities.
