IV. Intensive Language Course and Orientation Course:

Students with German language skills below level B2 should participate in the preparatory intensive language course (including orientation). All others are welcome to participate in the course. We offer all levels from A1 to C1. The language of instruction is German. However, all extra-curricular activities and explanation surrounding the course will be in English.

Exchange students who do sign up for the Intensive Language Course are expected to participate in the orientation program, as all questions referring to administrative formalities, choice of courses, study plans, finding their way in Regensburg and on campus are all dealt with during that time.
