### Task Description

We are looking to recruit a German Language Assistant to help and support our modern language degree students in German and the Course Leader for German Language here at UCLan. Duties will include weekly German Language practice sessions for our students along with supporting the Course Leader for German in class preparation and development of course materials.

We require a native speaker of German who ideally has some teaching experience and has studied English to at least B1/2 level.

Other duties will include a review of current teaching materials and to research new methods, applications in the teaching of German as a Foreign Language with an aim to providing an excellent learning experience for current and future degree students. In addition to these duties help and support in organising cultural and social events such as a German Film Festival will also be required.

Approximate hours of work per week: 35

Application Deadline 1st May 2018
Estimated Interview Date: via telephone or skype – May 2018 to be confirmed

### Other qualifications or comments

Hours of Work: full-time – approximately 35 hours per week

### Computer skills

Skills: Windows 7 (word, Excel, microsoft outlook) Level: intermediate or advanced
