Only in B, H, R, D, L (at 57.4).

R has the rhymed office by Bruno of Toul/Leo IX (in italics). This was secular, so three A and R from older series supplement it in monastic sources.

+ For Matins antiphons H specifies *Beatus vir "cum reliquiis"*, and "Super III cantica" *Beatus ille servus vel Quamdiu mundi orbita* (above). (Note only 9 A in L.)
