C has 4R, 3R (no. 7 inc.), 3R as inc. "require in Prophetis" + 4R

After the 3A of each Nocturn V has incipits for three more, here numbered a1\*, a2\* etc. Most are already in main series. V has 3+3+7R. There are similarly 5 'alia' L-A, the last 3 as incipits, here a1, a2 etc. So V has its local series and better known pieces as alternative series.

H has 3++3+4 R.

L has Michael at 92.4 "Inventio sancti Michaelis Archangeli". L has 4+4+5 R. The three A for the Little Hours appear at the end, in the order P S T.
