+ followed by rubric "Require in Apostolorum"

H has first 9 M-A (2 are inc. for A in following nocturn), then three inc. for commune R, then only 2 more A and no more M-R.

D has a verse for all 12 M-A, and for the 3 L-A surviving after a lacuna between M and L. D has 4+4+3 M-R.

L has a lacuna until L, then incipits for A at the Little Hours and 2V, all presumably present earlier in the office.
