INTERACTIVE COUNSELING SESSIONS IN SMALL WORKING GROUPS

The topics of the counseling sessions will be based on the participants' suggestions made in the application form. We look forward to your ideas!

Each group will consist of a client, a moderator and several advisors. The client formulates a challenge he or she wants to face with the help of the advisors. The advisors share their experience and support the client to find an appropriate solution.

As a participant, you will be able to join several groups (world café method) and change the roles (client, advisor, moderator). With this format, we would like to facilitate an exchange of experience among colleagues.
