Pryazovskyi State Technical University

The engine of the city revival and development

Mariupol is Ukraine

Маріуполь
Pryazovskyi State Technical University

before the war...

12 buildings

11000 — students

500 — teachers
250 — PhD
55 — D. Sc.

48th place in the rating of higher education institutions "TOP-200 of Ukraine" and the rating "Scopus"

The largest university in the South East of Ukraine
PSTU has 90-year history
During the war…

Destroyed buildings
Lost scientific and pedagogical personnel
Destroyed libraries and scientific laboratories
The university was forcibly relocated to the city of Dnipro

But we are holding the line and we see PSTU future
After the victory ...

An innovative institution of higher education, which preserves the best scientific traditions

generates and implements new ideas

carries out training of competitive specialists

educates conscious citizens

provides high-quality educational services using the best world experience and innovative learning technologies
Mission

1. education of a conscious citizen, a harmonious personality
