

Joint Certificate Programs

Lviv – Würzburg

Würzburg – Lviv

IFNUL – JMUW – LPNU

Selected Topics in Computational Mathematics

Selected Topics in Computer Science

Prof. Dr. Alexander Wolff

Chair for Computer Science I

Working Group “Efficient Algorithms”

Цей хрест встановлено у пам'ять про
140 тисяч вояків народів Європи –
українців, французів, поляків, росіян,
італійців, євреїв, білорусів, бельгійців,
які захищали свій дім, свою країну
і загинули на цьому місці,
у нацистському концтаборі «Шталаг 328».
1941-1944 рр

Вічна їм пам'ять!

Some “Historical” Remarks

- Spring 2014: First (accidental) meeting between rector of LPNU and president of JMUW

Some “Historical” Remarks

- Spring 2014: First (accidental) meeting between rector of LPNU and president of JMUW
- Jun. 2014: First delegation of JMUW visits Lviv

Some “Historical” Remarks

- Spring 2014: First (accidental) meeting between rector of LPNU and president of JMUW
- Jun. 2014: First delegation of JMUW visits Lviv
- Aug. 2014: Joint Certificate Agreements IFNUL–JMUW–LPNU signed

Some “Historical” Remarks

- Spring 2014: First (accidental) meeting between rector of LPNU and president of JMUW
- Jun. 2014: First delegation of JMUW visits Lviv
- Aug. 2014: Joint Certificate Agreements IFNUL–JMUW–LPNU signed
- Sep./Oct. 2014: Delegations of IFNUL & LPNU visit Würzburg

Some “Historical” Remarks

- Spring 2014: First (accidental) meeting between rector of LPNU and president of JMUW
- Jun. 2014: First delegation of JMUW visits Lviv
- Aug. 2014: Joint Certificate Agreements IFNUL–JMUW–LPNU signed
- Sep./Oct. 2014: Delegations of IFNUL & LPNU visit Würzburg
- Nov. 2014:
First 3 block courses by JMUW lecturers for IFNUL & LPNU students

Some “Historical” Remarks

Lviv Polytechnic
Nat. Univ.

Our Joint Certificate Programs in 2015/16

Ivan Franko
Nat. Univ. Lviv

Julius Maximilian
Univ. of Würzburg

Lviv Polytechnic
Nat. Univ.

“Computational Geometry”
Prof. Tarras Banakh (fall sem.)

“Data Struct. & Alg. in Python”
(spring semester)

“Computational Linguistics”
Prof. Kushnir (spring semester)

Our Joint Certificate Programs in 2015/16

Ivan Franko
Nat. Univ. Lviv

Julius Maximilian
Univ. of Würzburg

Lviv Polytechnic
Nat. Univ.

“Computational Geometry”
Prof. Tarras Banakh (fall sem.)

“Advanced signal &
image processing”
Prof. Peleshko

“Data Struct. & Alg. in Python”
(spring semester)

“Intellectual data
analysis”
Prof. Shakhovska

“Computational Linguistics”
Prof. Kushnir (spring semester)

German I & II

German I & II

Some Numbers

2014

- registrations: ≈ 50 IFNUL + 50 LPNU

Some Numbers

2014

- registrations: ≈ 50 IFNUL + 50 LPNU
- participants: ≈ 20 IFNUL + 10 LPNU, large fluctuation

Some Numbers

2014

- registrations: ≈ 50 IFNUL + 50 LPNU
- participants: ≈ 20 IFNUL + 10 LPNU, large fluctuation
- certificates: 4 IFNUL + 8 LPNU

Some Numbers

2014

- registrations: ≈ 50 IFNUL + 50 LPNU
- participants: ≈ 20 IFNUL + 10 LPNU, large fluctuation
- certificates: 4 IFNUL + 8 LPNU
- 1-month visits in Würzburg: 3 IFNUL

Some Numbers

2014

- registrations: ≈ 50 IFNUL + 50 LPNU
- participants: ≈ 20 IFNUL + 10 LPNU, large fluctuation
- certificates: 4 IFNUL + 8 LPNU
- 1-month visits in Würzburg: 3 IFNUL
- PhD “output”: 2 @ IFNUL, 1 @ JMUW (thx to DAAD)

Some Numbers

2014

- registrations: ≈ 50 IFNUL + 50 LPNU
- participants: ≈ 20 IFNUL + 10 LPNU, large fluctuation
- certificates: 4 IFNUL + 8 LPNU
- 1-month visits in Würzburg: 3 IFNUL
- PhD “output”: 2 @ IFNUL, 1 @ JMUW (thx to DAAD)

2015

- registrations: 13 IFNUL + 12 LPNU
- participants: ≈ 8 IFNUL + 4 LPNU, small fluctuation

Lessons Learned

- Communication styles of LPNU and IFNUL very different.

Lessons Learned

- Communication styles of LPNU and IFNUL very different.
- 1-week block course is very intense for students & lecturers!

Lessons Learned

- Communication styles of LPNU and IFNUL very different.
- 1-week block course is very intense for students & lecturers!
- Still, some reactions were quite enthusiastic:
“My first English lecture!”, “The lecturer is so cool!”, ...

Lessons Learned

- Communication styles of LPNU and IFNUL very different.
- 1-week block course is very intense for students & lecturers!
- Still, some reactions were quite enthusiastic:
“My first English lecture!” , “The lecturer is so cool!” , ...
But also: “10 lectures in one week are too much for me.”

Lessons Learned

- Communication styles of LPNU and IFNUL very different.
- 1-week block course is very intense for students & lecturers!
- Still, some reactions were quite enthusiastic:
“My first English lecture!” , “The lecturer is so cool!” , ...
But also: “10 lectures in one week are too much for me.”
- Some students simply didn't fit (“printing and publishing”).

- Still, some reactions were quite enthusiastic:
“My first English lecture!” , “The lecturer is so cool!” ,...
But also: “10 lectures in one week are too much for me.”
- Some students simply didn't fit (“printing and publishing”).
In 2015, we were more selective – the students, too!
