TEACH GERMAN AS A FOREIGN LANGUAGE AT NURSING SCHOOL OF HIGHER EDUCATION IN HAVLÍČKŮV BROD, CZECH REPUBLIC

Your task will be teaching German in nursing secondary schools and schools of higher education in the Czech Republic. By joining you will get an opportunity to get a real life experience as a teacher, you will help to the Czech students to improve their language skills and you don't have to pay anything. We will give you food and accommodation or you will get a regular salary.

NEED OF KNOWLEDGE OF CZECH LANGUAGE?

There is no need that the students know Czech language. But it will be necessary that they speak at least a bit of English so that we can communicate. Unfortunately, we don't speak any German.

NUMBER OF TEACHING HOURS PER WEEK

As far for the number of teaching per week - our minimum is 14 hours/week. We have two schools where we will need an intern who can teach German. Both of them are not situated in Prague, but to the east of Prague in two cities which lie close to each other. We will take care of the transportation between the cities and all the costs. The two cities are Havlickuv Brod and Zdar nad Sazavou.

Applicants will have to fill out an application form and a questionnaire (available via BAYHOST or directly from Ms Vegsoova) so that we know their requirements or ideas. The final number of hours depends on our mutual agreement.

CERTIFICATE

The students will get a certificate that they have participated in our program that might serve as a confirmation of the practice.

LEARN CZECH LANGUAGE

We will try to find some Czech courses for foreigners in one of the cities and if we are not successful in finding, we will try to arrange a deal with language teachers from the schools. So we will do our best in trying to find a way how the students can improve their Czech language skills.
