Armin-Kurtz-Symposium

Herzogssaal, Domplatz 3, 93047 Regensburg

14.00 Registration and reception

14.45 Frank Schweda: Welcome

14.50 Video-address of Udo Hebel,
President Universität Regensburg

14.55 Address of Ralph Witzgall, Dean of the Faculty

Session 1

Chair: **Andreas Draguhn**, Heidelberg

15.00 **Josef Pfeilschifter**, Frankfurt:
Where are you going, beloved science?

15.40 **Hans-Christian Pape**, Münster:
Rhythms of fear in the brain - mechanisms and impact
of an emotion

16.20 Coffee break

Session 2

Chair: **Josef Pfeilschifter**, Frankfurt

16.40 **Ullrich Pohl**, München:
The hitchhiker's guide to physiology

17.20 **Kai-Uwe Eckardt**, Berlin:
Erythropoietin between physiology and
clinical application

18.00 Dinner

Friday, July 7, 2023

Joint Meeting Armin-Kurtz-Symposium - EUKISS 2023

Herzogssaal, Domplatz 3, 93047 Regensburg

08.30 Registration

Session 3

Chair: **Kai-Uwe Eckardt**, Berlin

09.00 **Sir Peter Ratcliffe**, Oxford:
Not without you, my favorite oxygen

09.40 **Anna Köttgen**, Freiburg:
I saw it in your genes

10.20 **Eckhard Wolf**, München:
Xenotransplantation - from bench to bedside

11.00 Coffee break

Session 4

Chair: **Richard Warth**, Regensburg

11.20 **Andreas Draguhn**, Heidelberg:
Understanding the brain? Approaches and
challenges of modern neurophysiology

12.00 **Peter Sandner**, Wuppertal:
cGMP signaling: From physiology to therapeutics

12.40 Concluding remarks

12.45 Lunch

13.30 City tour

Armin Kurtz

Training and career

1974-1980 Study of medicine in Regensburg and Munich

1982 MD thesis „Functional properties of isolated
hemoglobin subunits“, University of Regensburg

1981-1987 Research fellow with Christian Bauer,
Universities of Regensburg and Zurich

1988 Postdoc with Erwin Neher, MPI Göttingen

1988 Habilitation for Physiology, University of Zurich

1989-1991 Lecturer, Institute of Physiology, Zurich

1991-2022 Full Professor and Chair of Physiology,
University of Regensburg

1999-2001 Dean of the Faculty of Biology and Preclinical
Medicine

2004-2009 Vice-president for Research, University of
Regensburg

Honors and merits

1982 Bavarian award for excellent MD thesis (EoN-Prize)

1987 Volhard-Prize of German Society of Nephrology

1988 Research fellowship of Max-Planck-Society

2004-2009 Secretary General of German Society of
Nephrology

2006 Member of German Academy of Science (Leopoldina)

2006-2017 Spokesman of SFB 699

2007-2016 Member of the DFG study section Physiology

2010 Franz Gross Prize of German Hypertension Society

2010-2011 President of German Physiological Society

2013 Franz Volhard Medal of German Society of Nephrology

since 2016 Senator of Leopoldina

2019 Honorary doctorate Syddansk University at Odense
