

**Prof. Dr. Peter Boor**

Institut für Pathologie, Uniklinik RWTH Aachen

**Artificial intelligence (AI) in (nephro)pathology
and beyond - sci-fi becoming reality**

AI technology transforms our society and has broad applications in many fields. In medicine, we are starting to appreciate and test the potential of AI. AI-based image analyses are particularly powerful and hold the potential to facilitate image-based diagnostics, including (nephro)pathology.

Time: Monday, 30th March 2020, 17:15h
Location: Pathologie Universitätsklinikum
Erlangen
Krankenhausstr. 8-10
Oberer Hörsaal, Raum A 2.150

The seminar is video transmitted to:
Universität Regensburg
Institut für Physiologie
Raum VKL 4.1.29
