

SFB 960-/ BZR – Kolloquium

16. Februar 2023, 14.00 – 15:00 Uhr
im H53

Catharina Schmid

Biochemie III, TP A1

„Functional and structural analysis of RNA polymerase I phosphorylation “

Julia-Lisa Daiß

Strukturelle Biochemie, TP A8

„The human RNA polymerase I structure reveals an HMG-like domain specific to metazoans “

Universität Regensburg
Biochemie-Zentrum Regensburg
