

MAKE YOUR RESEARCH TANGIBLE!

www.youngentrepreneursinscience.com

For academics of all disciplines

19.10. & 23.11.2021, Online Workshop Regensburg

YOUR IDEA'S JOURNEY: FROM POTENTIAL TO PROTOTYPE

Discover your entrepreneurial potential!

In two workshops, you will understand the **potential of your research topic** and explore tools to develop it further. Based on practical examples, you learn how to **empathise with users**, as well as brainstorm and assess ideas to prepare for the **rapid prototyping finale!** Participation in both workshops grants you a **personalised certificate** and exclusive access to our **online network** for academics.

How to apply

Admission is free and no previous knowledge is required. Register here for both workshops: <https://falling-walls.com/yes/workshop/your-ideas-journey-from-potential-to-prototype-regensburg-19-10-2021-and-23-11-2021/apply/>

Workshop Programme

19.10., 2.00–4.30 pm

Part 1: Your Research's Potential

Reflect on your potential network of stakeholders as well as their needs, understand the startup potential of your research topic, and brainstorm potential use cases.

23.11., 9.00 am–5.00 pm

Part 2: The Innovation Process

Explore Design Thinking techniques in teams and make your ideas tangible by developing a prototype.
