## 3. Choice of program

- University entrance qualification: Choose between „EITHER I AM a citizen of an EU country, Iceland, Norway or Liechtenstein OR I HAVE obtained an abitur at a German school abroad“ and „I AM NOT a citizen of an EU country, Iceland, Norway or Liechtenstein, and I HAVE a university entrance qualification from abroad (not Germany)“
- Degree: Important! This is not your obtained degree, but the one you are applying for, so please choose Master of Science.
- Form of studies: consecutive master’s
- Subject: Choose between Master of Science in Psychology: Biological Psychology, Clinical Psychology and Psychotherapy and M.Sc. Psychology: Psychological Science
- 1. Subject-related semester

**Your choice of program**

Please select the program you wish to apply for.  
 Every time you make an entry, you will automatically be shown the entry fields which fit to your choices.  
 If you are applying for a program with several subjects (for example teaching degrees), you will need to make these entries for each subject.  
 The studienkolleg's assessment examination is not a qualification for admission to institutions of higher education. Please select your education type corresponding to your nationality.

* University entrance qualification	I AM NOT a citizen of an EU country, Iceland, Norway or Liechtenstein, and I HAVE a university entrance	①
* Degree	Master of Science	①
* Form of studies	consecutive master's	①
* Subject	Master of Science in Psychology: Biological Psychology, Clinical Psychology and Psychotherapy	①
* In which subject-related semester do you want to start studying?	1. subject-related semester	①

#### 4. Hardship case or preferred admission (service, e.g. federal volunteer service)

- Request for a consideration as a hardship case
- Application for a preferred admission if you were accepted for a place at university at the start or during service and could not fill this place due to service
- Only applicable for NC-procedure, if your application has already been accepted in the first step
- If applicable tick the relevant box and provide the relevant document on the next page

**Request for a consideration as hardship case - Master of Science in Psychology: Biological Psychology, Clinical Psychology and Psychotherapy 1. Study semester** [Help](#)

Do you want to make an application for exceptional hardship (**compelling need** to take up studies or **serious grounds** for being bound to the place of study)?  
 You can get information on the criteria which you need to fulfill and how the application affects your application from the Registrar's Office under "help".

Mark the subject for which you want to make an application for hardship:

Master of Science Psychologie mit Schwerpunkt Biologische Psychologie, Klinische Psychologie und Psychotherapie

---

**Application for a preferred admission - Master of Science in Psychology: Biological Psychology, Clinical Psychology and Psychotherapy 1. Study semester** [Help](#)

If you were accepted for a place at university at the start or during service (e.g. military service, civilian service, work with the federal volunteer service (Bundesfreiwilligendienst)), and you could not fill this place due to this service, then you can make an application for preferential admission to **the same subject**.  
 You can get information on the criteria which you need to fulfill and how the application affects your application from the Registrar's Office under "help".

### Information on the applying for the master's degree Psychology (PsyBKP)

We present some information here on applying for the master of science degree in Psychology: Biological Psychology, Clinical Psychology and Psychotherapy (PsyBKP).

Applications can be submitted from **May 15 to 31** of the year in which you plan to start. You can edit your application and correct and extend details up until the end of the application deadline.

You must have the following information at hand for your application:

- Details of your qualification for admission to institutions of higher education (school-leaving grade and date)
- Information on your previous studies (programs, times, places)
- Link to the module descriptions from your bachelor's degree in psychology if you did not study at Universität Regensburg (or alternatively, official documentation of such descriptions)

Please ensure that you have the following documents available as PDFs you can upload to the application portal:

- **Transcript of records *marked as*** below, and certified or with a verification code
- **Degree certificate**, certified or with a verification code (may also be submitted up to September 15)
- Certified documentation, that the **program conforms to the medical practice regulations (Approbationsordnung)** if this is not contained in the certificate (upload with the certificate in a single PDF; this can also be submitted later, up to September 15)
- Documentation of **qualification for admission to institutions of higher education**, should this have been obtained abroad
- Documentation of **German language skills, copy of ID, and resume**, should the qualification for admission to institutions of higher education have been obtained abroad

Before uploading the transcript of records, please highlight the total number of credits obtained so far in courses and examinations in orange.

If you would like to apply for a grade enhancement, you will also need to mark your transcript of records, highlighting your participation in an empirical-experimental project seminar of at least 12 ECTS in yellow, and/or courses in the area Biological Psychology with a total of at least 12 ECTS in light green.

If the degree certificate including the declaration of conformity with the medical practice regulations is not yet available, you can submit it later, between July 1 and September 15. Even if you will be submitting your certificate later, please indicate in your application whether your degree program conforms to the medical practice regulations.
