Focusing on all English-speaking countries,
we study...

- **its cultures**
- **its languages and their characteristics**
- **its literatures and medial representations**

...in-depth.

We put this into practice in the following types of courses:

LANGUAGE/SPRACHPRAXIS:

Enhancement of your oral and written English language skills

⇒ goal: „near-native speaker competence“

Courses in summer semester 2022:

General Language Course

Academic Writing

Sprachmittlung (Übersetzung)

Exercises in English Pronunciation

ENGLISH LINGUISTICS:

Classes on the scientific study and understanding of the English language(s), their structures, history, and variations

Courses in summer semester 2022:

Asian Englishes

English Dialects in Britain & Ireland

Altenglische Sprache und Kultur

Accents and Attitudes in Popular Music

- Explaining the characteristics and conditions of use of the English language
- Describing the essential structural elements of language: phonetics & phonology ("sounds"), morphology ("words"), syntax ("sentences")
- History of the English language

LITERARY STUDIES:

Critical exploration of the literatures of the United Kingdom and Ireland, North America, South Africa, etc.

Courses in summer semester 2022:

Borderland Narratives: Literature, Visual Art, Architecture

American Literature I: From the Beginnings through the 19th Century

Caught between Romance and Change: Writing Scotland in the 20th Century

The Empire Writes Back: Postcolonial Writing

- Literary and cultural diversity of the United Kingdom and Ireland, North America, and the Commonwealth Nations
- Interdisciplinary and interculturally sensitive study of literature and culture
- Aim: well-informed understanding of literatures and cultures
- Theories, methods, approaches to the research of literary and cultural history

CULTURAL STUDIES:

Critical exploration of the cultures of the United Kingdom and Ireland, North America, South Africa, etc.

Courses in summer semester 2022:

Transnational Black Feminism and Intersectionality

White Privilege: Racist Legacies, Invisible Norms

The Unhoused: Victorian Vagrants

Space and Place in London

- Aim: gaining a critical understanding of the English-speaking countries from both an internal and external perspective
- Interdisciplinary cultural studies: Exploration of the multiethnic, multilingual, and transnational diversity of cultures and literatures from their origins to the present

TEACHING ENGLISH AS A FOREIGN LANGUAGE:

Aspects of the teaching and learning of the English language & English-speaking cultures and literatures

Courses in summer semester 2022:

*Introduction to English Language Teaching
Teaching Culture, Literature and Media in ELT
Teaching English in the Primary Classroom
TEFL: Theory and Practice*

- Theoretical and empirical bases of English language teaching
- Facilitating effective language learning situations
- Research: video-based teaching, teaching/learning materials, literature in the English language classroom, vocabulary acquisition, learning strategies
