

Please do not print out then scan the form. Just forward it online.
For the signature, please do not use a picture or scan of the signature but rather the tool for online signatures.

Surname: First name: Student number: Student email:

Application to delete preliminary courses for a module examination in the master's program

Master's degree program:

Module:

Lecture course:

The change to the preliminary courses ,

takes place before or during the registration for the module examination.

takes place after the registration for the module examination.

Date: Applicant's online signature:

Please return the form by email to the [Examination Office](#) for Chemistry or forward it to the examiner of the basic module examination for their consent.

to the change in the preliminary courses for the module examination.

I agree

I do not agree

Date: Examiner's online signature:

Please return the form by email to [pa.chemie](#) and CC the applicant.

Important information:

After you have registered for the module examination, the examiner is notified of your preliminary courses so that they can plan the examination (examination questions and choice of the second examiner). The examiner does not have to agree to a change in the preliminary courses should it no longer be possible to arrange the examination.
