

A Legal and Technical Perspective on Secure Cloud Storage

Sebastian Graf, Jörg Eisele and Marcel Waldvogel University of Konstanz

> Marc Strittmatter HTWG Konstanz

Cloud Services from a customers point of view

Cloud services from a technical point of view

Security Goals to achieve

Responsibility in the cloud?

User-Centric VS Application-Centric Usage

Techniques to establish security

Integrity

Confidentiality

Availability

Accountability

Assurance

How to guarantee security behind the wall?

Legal Aspects

Harming Data

Privacy

Author's Rights

Contracts

What's next ?

Thanks for your attention!
