Ukrainian-Bavarian Higher Education Day

October 1st and 2nd, 2018 at Julius-Maximilians-Universität Würzburg

Place:
Julius-Maximilians-Universität Würzburg
Zentrales Hörsaal- und Seminargebäude / Gebäude Z 6 (Central lecture hall building / Building Z 6),
Am Hubland, 97074 Würzburg

The Organizers

Julius-Maximilians-Universität Würzburg (JMU)

The Julius-Maximilians-Universität Würzburg (JMU), which has strong partnerships with universities all over Ukraine, is the host of the Ukrainian-Bavarian Higher Education Day.

In 2014, JMU held several workshops for initiating and strengthening cooperation with universities in Lviv, Ukraine. Several faculties were involved on both sides, particularly in Natural Sciences. Joint study programs resulted in the field of Computer Science and Mathematics, to name only one positive impact. Furthermore, the department of Slavic Philology has been cooperating with universities and research institutes in Ukraine and is offering Ukrainian language courses. Within the Ukrainian-German Alumni-Network, a project funded by the German Academic Exchange Service, JMU intensified its activities with Ukraine in 2017. For this project, which goes far beyond academic exchange, new partnerships were established with universities in Kiev, Odessa and Kharkiv.

BAYHOST (Bavarian Academic Center for Central, Eastern and Southeastern Europe)

The Bavarian Academic Center for Central, Eastern and Southeastern Europe (BAYHOST) promotes academic exchange between Bavaria and countries in Central, Eastern and Southeastern Europe. BAYHOST supports Bavarian universities and universities of applied science through its specific
competencies; by supporting their collaboration with academic organizations in its partner countries and by establishing new partnerships.

The promotion of Ukrainian-Bavarian cooperation in research and teaching as well as the distribution of knowledge about the Ukrainian higher education system currently form the focus of BAYHOST’s work.

Conference language
The conference language is English.

Registration
Please use the following link to register for participation:
- as a speaker until July 16th 2018: Registration
- as a visitor will be possible later as well: Registration

Directions

By train
Wuerzburg Central Station is regularly frequented by high speed trains (IC, EC, ICE). Train schedules and connections can be found on the "Deutsche Bahn" website (https://www.bahn.com/en/view/index.shtml), where you can also book your tickets and make seat reservations. Early booking is recommended in order to get special offers. Seat reservations are also strongly recommended.

By car
Wuerzburg can be reached via highway A 3 or A 7. Please take into account that these highways are generally very crowded, so public transportation is considered the better option. If you plan to come by car, please ask your hotel about parking.

By plane
All major and minor airlines offer numerous flights to Frankfurt Airport (FRA) every day. Airfares vary greatly. Early booking is recommended.

Trains to Wuerzburg Central Station (Würzburg Hbf) depart from Frankfurt Airport (Frankfurt (Main) Flughafen) every 60 minutes. Mind that there are two airport railway stations. You need to go to the long-distance train station (Fernbahnhof, tracks 4-7). The train ride takes approx. 90 minutes. Advanced booking and seat reservations are recommended. For timetables and advance booking see: https://www.bahn.com/en/view/index.shtml

Other nearby airports are Munich (MUC) and Nuernberg (NUE).
