In the next step you will be asked to create a new password; it must be 6 to 12 characters long. You may use letters, numbers, and special characters. They are case-sensitive.

When you are logged in you have access to your account. You will find 'My account' next to 'Search' and 'My list' in the blue bar. In your account you will find the media you have borrowed, ordered or reserved. You can check your loan periods and renew your books.

Choose 'User details' in the drop-down menu 'My account' to change your password or your e-mail-address.

Tip: The library will inform you by e-mail, e.g., about expiring loan periods. So please submit your current e-mail address in your library account. This service offers no guarantees.

For students: We do not have your e-mail-address automatically. Please enter your e-mail-address in your user data.

HOW CAN I RENEW MY LOANS?

After the regular loan period of four weeks, the loan period is renewed automatically for another four weeks. A second renewal can be made in your account.

Please note: The regular loan period is guaranteed. The first and second renewal is only possible, if the book has not been reserved. If a patron reserves a book, it must be returned after the regular loan period or after one week, if you have already renewed the loan period.

Tip: Please check your account in the Regensburg Catalogue plus regularly. Here you will find the current, compulsory status of your loan period. Return books in time to avoid an overdue fine and a blocking of your account.

Tip: You can find all these details and further information here: www.ur.de/library/faq

Here you will find books, journals, newspapers, DVDs, CD-ROMs, e-books and e-journals, but you will not find any articles in this tab.
The second tab articles and more contains a variety of journal articles and book chapters. In many cases you have access to the PDF of the article, when you are in the campus network.
