1. Special courses for exchange students

Introduction to German civil law for exchange students	
21 199 - Einführung in das deutsche Zivilrecht für Austauschstudierende	
ECTS credits: 4 Type: lecture 2 hpw winter AND summer Language: German	This class provides international students with an overview of the principles of German private law. Through case discussions students become acquainted with the concepts of the General Part of the BGB (German Civil Code), contracts, unjust enrichment and delict, and property. Other related topics will be dealt with occasionally. Students should be prepared to contribute insights from the legal systems of their home countries which allow comparisons between those legal systems and the German one.

Introduction to German public law for exchange students	
21 299 - Einführung in das deutsche öffentliche Recht für Austauschstudierende	
ECTS credits: 4 Type: lecture 2 hpw winter AND summer Language: German	This course is designed to give international students an overview of German Public Law. The emphasis is on German Constitutional Law (system of government, protection of human rights). The main doctrines of Administrative Law are also discussed, including the Law of Administrative Procedure.

2. Core courses

2.1. Civil law

Civil Law- General Part 21 101 - BGB Allgemeiner Teil	
ECTS credits: 8 Type: lecture Level: 1st year course 4 hpw, winter Language: German	This course deals with the General Part of Bürgerliches Gesetzbuch (§§ 1-240 BGB). It is a basis for further civil law lectures.

General law of debts 21 102 - Allgemeines Schuldrecht	
ECTS credits: 8 Type: lecture Level: 1st year course 4 hpw, winter Language: German	This lecture builds on the lecture Introduction to Civil law. It deals with the general law of debts (Allgemeines Schuldrecht (§§ 241-432 BGB)) using the example of the purchase (§§ 439- 479 BGB)

Types of contracts 21 104 - Vertragstypen	
ECTS credits: 8 Type: lecture Level: 1st year course 4 hpw, summer Language: German	This course deals with different types of contracts of the special part of the law of obligations. In the centre of this lecture are the characteristics of the different types of contracts and the differentiation of each other.

Legal obligations 21 105 - Gesetzliche Schuldverhältnisse	
ECTS credits: 8 Type: lecture Level: 1st year course 4 hpw, summer Language: German	This course deals with three elementary fields of law from the BGB, torts law (especially §§ 823 ff. BGB), general law of compensatory damages (§§ 249 ff. BGB) and enrichment law.

Note:

Administrative law III (building law and municipal law)

21 257 - Verwaltungsrecht III (Baurecht und Kommunalrecht)

ECTS credits: 8

Type: lecture

Level: 3rd year course

4 hpw, winter

Language: German

The main features of the law on building regulations and the law on planning for building projects are part of the compulsory subjects for the 1st Juridical state exam (*Staatsexamen*). Municipal law is a compulsory subject of special administrative law. In the first instance, the lectures expand on the constitutionally guaranteed rights of the municipal self-government, especially the tasks of *the own and delegated sphere of functions as well as the instruments of public control*. Particular attention is paid to the municipal right to issue charters and ordinances. A further main focus is the subject of public establishments of the municipalities and communal organization. In exploring these issues, the structure and function of the single organs, municipal election law and litigations about the constitution of the local authorities are also covered. To conclude, the law on economic activities and the fiscal charge law, as well as the different forms of municipal collaboration, are presented. The numerous influences of EU-law, especially on the subject of provision for elementary requirements, are dealt with in detail.

European law

21 258 - Europarecht

ECTS credits: 6

Type: lecture

Level: 2nd year course

3 hpw, summer

Language: German

This lecture features the complete mandatory range of this fascinating, dynamic, and important legal area. Starting point will be the inner constitution of the European Union, which will lead to an understanding of the most basic provisions, rules and mechanisms of the European contracts and the different areas of politics within the EU. To ensure the best possible preparation for succeeding in written examinations, the law of the European Union will be presented embedded in actual, recent cases that might be subject to assessment during the exams in this very form. This approach also trains to cope with problems that may arise at the boundary point of EU law and national law.

2.3. Criminal law

Criminal law - General part I 21 200 - Strafrecht Allgemeiner Teil I	
ECTS credits: 6 Type: lecture Level: 1st year course 3 hpw, summer Language: German	This course serves as an introduction to Criminal Law.
