

Immunic Therapeutics is a dynamic biotechnology company with a pipeline of selective oral immunology therapies. We are developing new therapies with best-in-class potential for the treatment of chronic inflammatory and autoimmune diseases. Currently, we have three small molecule products in different stages of clinical development. For further information, please visit: [www.imux.com](http://www.imux.com).

We are a passionate and ambitious team that loves to work together. Immunic is an exciting place for fresh ideas – apply now and become part of our international team!

We are looking for an

## **Intern/Working Student Investor and Public Relations (m/f/x)**

**to strengthen our Gräfelfing/Munich based team.**

As Intern/Working Student Investor and Public Relations, you will mainly be working with our Head of Investor Relations and Communications as well as with other internal and external partners of Immunic.

### **We anticipate a broad scope of activities:**

- Support our investor and public relations activities
- Assist in preparing and disseminating press releases, investor and media pitches, company presentations and other communication materials
- Support the team in day-to-day communication tasks: distribution of press releases and follow-up, maintaining our contact database, monitoring print and online media and social media channels
- Support the organization and execution of media and investor meetings and roadshows as well as conferences
- Contribute to the content creation and maintenance of our website
- Help with the implementation of our social media strategy and the maintenance of our social media channels

### **Here is how to convince us:**

- You are a student of finance, economics, communication sciences, media studies, marketing or a related field of study.
- You have first experience working in communications, investor relations, public relations and/or marketing.
- You are open-minded and you enjoy active communication.
- You are a very organized and linguistically talented person with team spirit and a hands-on mentality.
- You have first experience in writing and dealing with investors, media and business partners.
- You have proficient knowledge of Microsoft Office tools (Word, PowerPoint, Excel) and social media platforms (Twitter, LinkedIn, Facebook, XING, etc.).
- You are fluent in German and English with the ability to communicate accurately and effectively in verbal and written form.
- You desire to learn about investor and public relations and you are interested in healthcare/biotechnology.

**What you can expect:**

- A flexible and dynamic working environment
- A highly motivated, multicultural team
- An innovative company that is constantly growing
- An attractive office with good public transport connections to the city center of Munich

Please send your meaningful application by email to Erika von der Decken: [jobs@imux.com](mailto:jobs@imux.com).
